

St. Christopher Catholic School Paw Prints Newsletter

Week of September 27, 2021 Issue No. 7

September/October

I want to congratulate all of our students and teachers for putting their best efforts forward last week during the Terra Nova testing. Our word for the week was perseverance. Thank you for taking perseverance to heart and doing your best on the test.

We are quickly approaching the halfway mark into our first trimester. Progress reports will be distributed during individual Parent—Teacher Conferences the week of October 4th. Be sure to schedule a conference with your child's teacher. The students will have noon dismissal everyday that week. That afternoon time is used to conference with our teachers. A student's achievement and success is directly related to the home and school relationship. We are looking forward to meeting with each and every one of our families to discuss the academic progress for your child(ren). More communication will be sent home from your child's teacher regarding scheduling of conference times. We are allowing face to face conferencing with all safety protocols in place (including wearing of a mask).

I would also like to welcome our school nurse to the St. Christopher Family. Nurse Genie will be here Monday - Friday to assist the students with any health and safety needs. She will be taking the next couple of weeks to get her office ready. We are excited to have her join our team to help ensure a safe and healthy learning environment.

God Bless,
Mr. Rick Blanc
Principal
