Issue No. 27

March

Is temptation good? Certainly it's not a sin to be tempted. Otherwise our Lord could never have been tempted Himself. But He was. And so are we. As we enter into the first full week of Lent, we are given the opportunity to ponder the story of Jesus' temptation in the desert.

Temptation is never from God. But God does permit us to be tempted. Not so that we fall, but so that we grow in holiness. Temptation forces us to rise up and make a choice either for God or for the temptation. Though mercy and forgiveness are always offered when we fail, the blessings that await those who overcome temptation are numerous.

Many Blessings,

Mr. Rick Blanc, Principal
