

St. Christopher Catholic School Paw Prints Newsletter

Week of May 23, 2022

Issue No. 37

May

We want to thank Mrs. Barnaby for her hard work and dedication to make Field Day such a success. She made sure to make Field Day a fun and memorable time for all. It was great to see our 8th grade and 7th grade students running the games and activities for the fellow St. Christopher Lions. The students were able to make memories to last a lifetime.

We have a big week of celebrations this week. Our 8th grade students will be receiving their awards and diplomas this week. Our Kindergarten through 7th grade students will have their End of the Year Awards Assembly, and our Kindergarten students will be having their graduation at the end of the week as well. Congratulations and may God guide you an St. Christopher be in your heart.

Many Blessings,

Reminders:

- **8th Grade and Kdg parents—be sure to have all graduation fees paid in full.**
