

St. Christopher Catholic School
A ministry of Saint Christopher Roman Catholic School

February 5, 2018

Dear Parents,

The re-registration process for the 2018-2019 school year is now underway. First, I would like to express my gratitude for your continued support. Without you behind all that we have tried to accomplish, we would not see continued growth. I am so blessed to be a part of bringing your children the very best Catholic education has to offer.

In order to accept new students for the 2018-2019 school year, it is necessary to determine the exact number of students planning to return to St. Christopher's next year. We have many new families seeking admission, therefore, we ask you to return all forms and a \$100.00 deposit on registration fees by February 23, 2018. Should you need additional time to submit registration fees, please contact the School Office to arrange a payment plan. Failure to do so could forfeit your child's place for next year.

While there will be a slight increase in tuition, I am very pleased to inform you that our registration fees will remain the same for next school year - \$350.00 for one child, \$500.00 for two children, and \$650.00 for three or more children. Despite the economy and the ever-rising costs, we will continue to do our best to keep registration and tuition increases to a minimum. The slight increase in tuition is necessary to meet the following challenges of the upcoming year: the continued rise in operational costs, textbooks, supplies, and educational equipment. Please remember, registration fees are non-refundable. In order to accept your application for re-registration, all tuition payments and fees must be current.

Families with a new student seeking admission for the 2018-2019 school year should complete an application as soon as possible. First consideration for available openings will be given to the children with siblings already enrolled in our school. Applications for all students must be on file in the school office.

Once again, we will continue with the same number of required volunteer hours: 12 hours total from each family – 4 hours for the parish bazaar and 8 hours of choice. Please remember that the parish bazaar is our biggest fundraiser of the year and it continues to be a great success due to the support we receive from the parents and students of St. Christopher Catholic School. The dates for next year's bazaar have been set for October 6th and 7th. Sign up for time slots for the bazaar will be available beginning the evening of Back to School Night. I am completely in awe at the generosity and dedication of all our school families all year long. When people visit and tour our school, the one consistent thing I hear is the feeling of a family atmosphere here at St. Christopher's. This amazing community atmosphere is due to all of us, parents, teachers, students, and staff, working together to make St. Christopher Catholic School the amazing community that it is and one that we can all call home. For that, I am so grateful to all of you!

As always, it is our intention to keep Catholic education affordable for all of our school families. Our tuition rates, registration fees, and volunteer hours are considered very reasonable, especially when compared with other Catholic schools within our Diocese. Tuition assistance is available through our Diocese, and through the efforts of AB165. Please remember that if you have any questions about any of the tuition assistance programs, feel free to come to the School Office at any time and ask.

Should you need any help with the re-registration process, please be sure to contact the School Office. Once again, thank you for your continued support. It is only when we work together that we can continue to make St. Christopher's the place for educational and spiritual growth that our children deserve.

Sincerely,
